

Montessori Tap Registration Form

Teachers: Emily Viator and Virginia Mock of Elite Dance Studio Monthly charge: \$20 Time: Thursday's starting at 2 PM

Description: This lively, rhythmic tapping makes the performer not just a dancer, but also a percussive musician. In May, the Montessori Tappers will have the opportunity to perform at a recital. Tap class provides physical and mental benefits such as a healthier heart and lungs, strong muscles and bones, better coordination, agility and flexibility, improved balance and enhanced spatial awareness and increased physical confidence. The creative and collaborative nature of tap can bring further benefits personally and socially such as improved general and psychological well being, great self-confidence, self-esteem and self awareness, great way to meet/make new friends, better social and communication skills and reduced social isolation and exclusion.

Tumble Time Registration Form

Teacher: Tricia Meredith Monthly charge: \$24 Classes are 30 minutes once a week

Description: Tumble Time is an exciting introduction to gymnastics class. It is a basic tumbling class where your child will learn balance, flexibility, strength and coordination. It is open to children 2 years and older. We begin each class with a series of warm up exercises, then moving on to our focus of the week. Skills are presented in a creative and age appropriate manner. Your child might come home wanting to show you a "pretzel" or the "chair in the air", it is our way of stretching or doing an exercise.

Voice Lessons with Music Appreciation Registration Form

Teacher: Thomas Rastall

Monthly charge: \$50

Classes are 30 minutes once a week

Description: Many teachers do not believe that children should have voice lessons before puberty. I have worked with a teaching style that develops the child's aural skills and pitch matching. The goal is to create an appreciation of music through a child's joy of singing.
